
CALL FOR PAPERS

Upcoming Special Issue on e-Learning

International Journal of Global Management Studies (IJGMS)

Print ISSN: 1945-3876

Online ISSN: 1945-3884

<http://www.IJGMS.org>

SCOPE OF PUBLICATION

With the increasing impact of technology in everyday life, the IJGMS special issue publication will critically focus on the role of technology in enhancing learning and education and discuss some of the latest innovative methods of managing virtual classrooms and learning. The coverage will include, but not limited to the following topics:

- e-Portfolio
- e-Learning Planning, Strategies & ROI
- e-Faculty Hiring, Development & Training
- Social, cultural, legal and political issues in e-Learning
- e-Learning Standards
- e-Learning Leadership
- e-Assessment & e-Evaluation
- e-Learning Information Systems
- e-Learning Information Portals
- e-Learning Tools & Technologies
- Virtual Learners' Communities
- e-Learning Solutions
- Principles of Virtual Learning systems
- e-Learning Effectiveness & Impacts
- Providing and Attaining Excellence in e-Learning
- e-Learning Management Systems
- Security and data protection issues in e-Learning
- Educational Technologies
- Instructional Design
- Flexible Delivery Systems
- QA for e-Learning
- Virtual Learning Environment & Workplace
- Learners' Support & Services
- Learning Objects

IJGMS is supported by the Association of Global Management Studies (www.association-gms.org). It is a multidisciplinary international association committed to the development of theoretical and practice knowledge pertaining to the global issues in all management related fields, and advances the dissemination of knowledge through its activities. IJGMS is listed in all four directories of Cabells (www.cabells.com), and its content available via EBSCO Publishing.

For author guidelines please visit the following link:
http://www.association-gms.org/Journals/Information_authors.html

Please submit your research paper to editor@ijgms.org. Papers will be double-blind peer, and acceptance decisions will be based on the standards described in the information for authors with a quick turnaround from reviewers.

Submission deadline: December 15, 2009
IJGMS Journal notification: Rolling acceptance
Final version due: January 15, 2010
